

**#1000WomenLeaders**  
**A Global Movement for Peace & Equality**

***By the end of 2025, WPHF aims to invest in 1,000 women leaders and their civil society organizations in 1,000 crisis-affected communities around the world through contributions to 5 key areas:***

1. **Mobilizing** Financing to Support their Organizations
2. **Strengthening** their Institutional Capacity
3. **Driving** Innovation, Connection & Community
4. **Amplifying** their Voices, Priorities and Impact
5. **Advocating** for their Rights, Recognition & Influence

**Everyone has a crucial role to play to support women leaders on the front lines.**

**Here are concrete steps that governments, the private sector and individuals can take to support women peacebuilders, humanitarians and human rights defenders worldwide.**

**For governments:**

- **INCREASE** funding to the [Women's Peace and Humanitarian Fund](#), and to women-led and women's rights organizations working on peace and security and humanitarian issues, including through support of the new [WPHF COVID-19 Emergency Response Window](#).
- **CHAMPION** emerging issues and address gaps such as women's participation in conflict resolution, including through support of the new [WPHF Rapid Response Window on Women's Participation in Peace Processes](#).
- **ADVOCATE** for increased participation of civil society organizations—including WPHF-supported grassroots organizations working on women, peace and security issues—in diverse strategic fora and dialogues on peace and security at the national and international levels.
- **ENHANCE** efforts to support and protect women human rights defenders and women peacebuilders.

- **RAISE** awareness by communicating with national constituencies and the general public—in partnership with WPHF—on the importance of the participation of women and their organizations in peace and security and humanitarian decision-making processes.

#### **For the Private Sector:**

- **JOIN** the new WPHF #1000WomenLeaders Committee (*Contact [matthew.rullo@unwomen.org](mailto:matthew.rullo@unwomen.org) for more information*).
- **PROVIDE** a grant to support the work of WPHF-funded women’s organizations, including by financing its urgent [COVID-19 Emergency Response](#) efforts across 30 eligible countries facing crises.
- **FEATURE** WPHF in employee giving campaigns
- **ENGAGE** employees in volunteering their talents and time to help advance WPHF’s mission
- **COLLABORATE** with WPHF on social media and cause marketing campaigns to raise awareness and funds
- **DRIVE** innovation for women peacebuilders and humanitarians by leveraging pro-bono technical and human resources to foster collaboration, facilitate exchange and multiply impact

#### **For Private Individuals:**

- **DONATE** to support the work of WPHF and its #1000WomenLeaders Campaign at [WPHFund.org/donate/](http://WPHFund.org/donate/)
- **AMPLIFY** the voices of women peacebuilders, humanitarians and human rights defenders by sharing the #1000WomenLeaders campaign with your networks at [WPHFund.org/1000WomenLeaders](http://WPHFund.org/1000WomenLeaders)
