Completing the Results Framework

There are two parts. The results (impact and outcome) and outputs (with activities)

Results	Impact and Outcome Indicators
Impact⁵ (required) Enhanced participation and leadership of women in planning and response to the food security crisis	You must use the following two indicators: 3.1. Number of women participating in humanitarian planning and response for improved food security in crisis/conflict settings (disaggregated by age group ⁶) Target: 3.2 Total number of direct beneficiaries receiving support to improve their household food security (disaggregated by sex, age group) Target: Optional: 3.3. Types of mechanisms established to improve gender responsive food security response, planning, frameworks and programming
Outcome⁷ *Develop your own outcome statement here. Only one outcome is recommended.	Include both reach indicators at the outcome level and at least one additional outcome indicator: 1. Required Indicator: Number of people directly benefiting from the response (by sex, age group, or other variables) Target: 2. Required Indicator Number of people indirectly benefiting from the response Target: Not Applicable 3. AND develop 1-2 Outcome Indicators that captures the change of your project Baseline: Target:

Impact Level: No action required. Everyone will use the same impact statement. Please do not change it.

Must use indicators 1 and 2 (no changes) and can use 3 if relevant.

Outcome Level: Develop one outcome statement focused on change (as a result of your outputs and activities. For example:

- increased access to emergency food for women headed households
- enhanced capacity of CSOs to deliver food security programmes
- Increased ability of women in climate-smart production and harvesting of food
- Must use indicators 1 and 2 , **PLUS** develop your own indicator. See the Indicator Tip Sheet for examples.

Outputs

Outputs	Activities
Example: Capacity strengthening to CSOs on leadership and advocacy skills for conflict prevention	<ul style="list-style-type: none"> • Training for 25 CSOs on leadership and advocacy skills (50% youth-led organizations) • Provide coaching to 50 CSO members (25 young women and 25 women) on the development of community-based action plans for conflict prevention
Output 1.1 ⁸ Enter your output statement here.	List activities and targets here in bullet form. Please include any disaggregation (sex, age group, etc.) Please be specific.
Output 1.2 Enter your output statement here.	List activities and targets here in bullet form. Please include any disaggregation (sex, age group, etc.) Please be specific.
Etc.	

Outputs: These are the products/services/actions that are completed

Develop outputs that will contribute to your outcome statement: For example:

- Food baskets distributed to women headed households
- Training on climate-smart agricultural techniques for food production provided to women

- List your activities for each output.
- Add disaggregation (sex and age group), where possible

*please note age disaggregation is 0-17, 18-29 and 30+
